Box 38.

Oct. 30, 06.
ans. to card 10/25.
my dear Girls: yes, the box is
with the trunk. It had been
stored with almost all the bedding
in it & the trunk had very little
in it of any acct., so everything was
taken out of the box & put in trunk.
Your Father wrote Archie that he gave
2. a pr. of blankets & that Archie should
have them, so I presume I'll have
to take them out - also a Mexican
stand cover.
Your mother teleg. Archie that she
would stand Jack's exp. to Cala., so
Archie teleg. Mrs. Evans to come
for him & has taken him back to
their house for fear she would
come at once. [He came out home
with me last Sunday.]
I hope you all are feeling
better & that you will have
very little trouble with Jack.
He can be very good when he
wants to, but can tease also; but
we all love him & are sorry he
is going so far away that we can't
see him.
Wish you lived just around the corner!
With love to all
Ava -
